Disabled Parking and Office Access

There is one disabled parking space close to our office on Glebe Street. All other public car parks in Stoke have disabled spaces.

Our office is not fully accessible to disabled visitors as there are steps to the main entrance door. If you are unable to manage steps, please call us on 01782 749202. We will arrange to hold our meeting with you at our nearby head office in Woodhouse Street, Stoke, which is fully accessible and also has a car park with disabled spaces.
